## PUBLIC NOTICE OF ASSEMBLY ELECTIONS, REAPPORTIONMENT AND CONSTITUTIONAL AMENDMENTS COMMITTEE HEARINGS ON PROPOSED REDISTRICTING PLANS FOR CALIFORNIA'S STATE ASSEMBLY, SENATE, CONGRESSIONAL AND BOARD OF EQUALIZATION DISTRICTS

As soon as maps outlining proposed California State Assembly, Senate, Congressional and Board of Equalization district boundaries are released by the Legislature, the Assembly Elections, Reapportionment and Constitutional Amendments Committee plans to make them available for the public to view on the Internet at the Committee website at <a href="http://www.assembly.ca.gov/erca">http://www.assembly.ca.gov/erca</a>. The public will also be able to view the proposed district maps on the Internet at numerous county libraries throughout the state. (See attached list of county libraries and their locations.)

The Assembly will release newly proposed Assembly districts early in the week of August 27, 2001. Information about the release dates for other plans will be available on the Elections Committee website. On Tuesday, September 4<sup>th</sup> and Wednesday, September 5<sup>th</sup>, the Committee will conduct interactive public hearings on the proposed district boundaries using video teleconferencing technology.

The interactive hearings will be broadcast to multiple locations throughout the state where the public will be able to view the proceedings and provide testimony to the Committee via video teleconference at the locations listed below. The Committee will take testimony from the public on Tuesday, September 4th on the Northern California and Central Valley districts. On Wednesday, September 5<sup>th</sup>, the Committee will take testimony from the public on the proposed districts in Southern California.

The format for the two days of hearings is as follows. From 9:00 a.m. to 12:00 noon on Tuesday, public testimony will be taken from those individuals and organizations who wish to testify in Sacramento before the Committee on the Northern California and Central Valley districts. This portion of the hearing **will not be interactive** from the regional Northern and Central California sites in Fresno, Monterey, San Francisco, and San Jose. However, individuals will be able to **view** the morning's proceedings at the remote sites.

The afternoon portion of Tuesday's hearing will begin at 1:00 p.m. and is designed to accommodate individuals and organizations who wish to testify from the regional Northern and Central California sites. That testimony will be presented to the committee via video teleconferencing, and will allow for interaction between the individuals testifying from the regional sites and the Members of the Elections Committee. Individuals at all of those regional sites also will be able to view this testimony.

The same format will then be followed for Wednesday's hearing, with the morning session, beginning at 9:00 a.m., accommodating the public who wish to testify in Sacramento before the Committee on the proposed Southern California districts. The afternoon session, beginning at 1:00 p.m., will provide for interactive testimony from and viewing by the public at the regional Southern California locations in Los Angeles, San Bernardino, Santa Ana and San Diego.

Testimony in Sacramento and at the remote locations will be accommodated on a first-come, first-served basis. Testimony from the remote locations on Tuesday and Wednesday afternoons will be taken in a continuous, rotating fashion until testimony from each of the regions is concluded.

The Assembly Elections Committee hearings also will be available for viewing on cable networks that provide the Cal Channel to their subscribers. Please check with your local cable provider or the Cal Channel's Internet website at <a href="http://www.calchannel.com">http://www.calchannel.com</a> to determine if Cal Channel is available to you. In addition, Cal Channel will provide a **webcast** of the hearings on its Internet website.
